Tuesday, December 16, 2014

Michelle Craske, Ph.D.
Professor of Psychology, Psychiatry and Biobehavioral Sciences and the Director of the Anxiety Disorders Research Center at the University of California, Los Angeles

Presentation:
“Translation from Fear Extinction to Exposure Therapy for Anxiety”
Mr. William K. Warren, Jr., Chairman Emeritus of the William K. Warren Foundation, received a Bachelor’s Degree in Business from the University of Notre Dame in 1956, where he served as president of his senior class. He and his wife, Suzanne, live in Tulsa, Oklahoma. Mr. Warren currently serves as Chairman of The William K. Warren Medical Research Center and of the Board of Warren American Oil Company. He is also a board member for numerous companies and universities. His vision led to the creation of the world-class Laureate Psychiatric Clinic and Hospital and the Laureate Institute for Brain Research.

Prevention and cure of mental illness tops the list of Mr. Warren’s primary medical research interests and concerns. In 1992, Mr. Warren received the Nathan S. Kline Medal of Merit from the International Committee Against Mental Illness at the World Health Organization meeting for his commitment toward improving patient care, medical education and research in mental illness. In 1997, he and Suzanne received the Cole Award of Excellence from the Alzheimer’s Association for their philanthropy, and in 2001 they were honored for their efforts on behalf of the Mental Health Association in Tulsa.

This conference series bears Mr. Warren’s name and is dedicated to him in recognition of his long-range vision for medical research and his continuous provision of research support to improve the health of all people, particularly those with mental illness.
Registration form located inside back cover or call Karen Cochran, 918-494-6490.

Michelle Craske, Ph.D.

“Translation from Fear Extinction to Exposure Therapy for Anxiety”

Three Learning Objectives:

1. Understand advances in mechanisms of extinction learning
2. Learn about mechanisms of exposure therapy for anxiety
3. Understand application of extinction learning to exposure therapy
Michelle G. Craske, Ph.D. is Professor of Psychology, Psychiatry and Biobehavioral Sciences and the Director of the Anxiety Disorders Research Center at the University of California, Los Angeles. She has published extensively in the area of fear and anxiety disorders. In addition to many research articles, she has written academic books on the topics of the etiology and treatment of anxiety disorders, gender differences in anxiety, translation from the basic science of fear learning to the understanding and treating of phobias as well as several self-help books and therapist guides.

She was associate editor for the Journal of Abnormal Psychology, and is presently associate editor for Behaviour Research and Therapy and Psychological Bulletin, as well as a scientific board member for the Anxiety and Depression Association of America. She was a member of the DSM-IV Anxiety Disorders Work Group and the DSM-5 Anxiety, Obsessive Compulsive Spectrum, Posttraumatic and Dissociative Disorders Work Group (Chair, Anxiety Disorders Sub-workgroup). She is also a member of the APA Clinical Treatment Guidelines Advisory Steering Committee and an IOM committee on establish evidence based standards for psychosocial treatments.
Laureate Institute for Brain Research  
Opened May 1, 2009

Laureate Institute for Brain Research currently houses a multidisciplinary team of scientists and clinical research staff who will apply neuroimaging, genetic, pharmacological and neuropsychological tools to investigate the biology of neuropsychiatric disorders. The Institute’s creation was supported by the William K. Warren Foundation for the purpose of conducting studies aimed at developing more effective treatments or prevention strategies for these disorders. The studies will be led by scientists from a range of backgrounds, including physics, cognitive neuroscience, psychology, psychiatry, developmental neuroscience, computer science and genetics.
**Accreditation**

**Physicians:** Saint Francis Health System is accredited by the Oklahoma State Medical Association to sponsor continuing medical education for physicians.

Saint Francis Health System designates this live activity for a maximum of 1 AMA PRA Category 1 credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Psychologists:** The Oklahoma State Board of Examiners of Psychologists recognizes AMA PRA Category 1 credit(s)™. Each activity is designated 1 AMA PRA Category 1 credit™.

**Social Workers:** Saint Francis Health System Department of Education, Tulsa, Oklahoma, is accredited as a provider of continuing education for social workers by the Board of Licensed Social Workers, State of Oklahoma (provider number 20140007). (1.0 contact hour)

**LPCs and LMFT’s:** Application has been made to the State Board of Behavioral Health Licensure (BBHL) for 1 hour of CE.

**CADC’s and LADC’s:** Laureate Psychiatric Clinic and Hospital is accredited as a provider of continuing education programs for CADCs and LADCs through the Oklahoma Board of Licensed Alcohol and Drug Counselors. (1.0 hour)

Emergency calls should be directed to (918) 494-1190.
Parking

The presentations will be held in the Laureate Conference Center, 6655 South Yale. Visiting participants can park on the south side of the Outpatient Clinic Building and in the northwest lot of the Warren Clinic Tower (6600 South Yale). Shuttles will be provided to take participants to and from the conference.
Registration

11:00 a.m. – Registration (Lunch will be provided ONLY to those who have registered.)
12:00 p.m. – 1:00 p.m. Presentation

• All conferences will be held at the Laureate Conference Center.
• Registration is required one week prior to each presentation date.
• To register, complete and mail or fax the registration form to address below.

I will be requesting continuing education for (check one):

____ Physicians
____ Psychologists
____ LPC’s/LMFT’s
____ Social Workers
____ CADC’s and LADC’s
